12

Protective measures against virus infections

Cough and sneeze
into the crook of
your arm or a
handkerchief.

Wear mouth and nose
protection.

Stay at home if you
have a cough or fever.

In case of suspicion, see a doctor
only after prior appointment by
telephone.

Avoid face-to-face
meetings.
Use telephone and
video conferencing
instead.

Do not touch your face
with your hands.

Do not shake hands.

Avoid buses and trains
to avoid infections.
Use bicycle and car
instead.
